2010-2011 Senior Leader

"I learned how to be more of a leader to people around me and in working groups. 20/20 Leadership taught me lots of useful stuff. Thank you!"

2010-2011 Junior Leader

"Your choices will be with you forever."

Alumni Leader

"Networking is crucial. You have one shot to do well. You either do well or you fail to use the opportunity to advance."

2010-2011 Senior Leader

Here's what students told us in surveys about 20/20 Leadership

"After completing the 20/20 program, an overwhelming majority of students agreed with the statement "I am now more likely to attend college, university, technical school or join the military."

"Because of 20/20 Leadership, students state that they are now more effective leaders, more knowledgeable about the community, have more confidence as public speakers and feel more positive about their futures."
